The Bible Institute of Missouri—Past, Present, and Future

The Bible Institute of Missouri (BIM) started in 2003 and now for over 10 years has been training and equipping faithful men to preach and teach the gospel of our Lord Jesus Christ. Truly, God has richly blessed the work of the BIM over the last decade. There have been so many, both in the forefront and behind the scenes, who labored tirelessly over the years to get this school started in the past, to keep it running in the present, and to work to see it continue in the future. Our mission has been and continues to be the same: Commit the word of God to faithful men who will be able to teach others also (2 Timothy 2:2).

Years before the BIM opened its doors for the first time, there were members of the Kansas Expressway Church of Christ who had the vision of starting a preacher training school in Springfield, Missouri. Many of those faithful members have passed away, but their vision retains its resolve. Charlie Harden dreamed about such a school:

It is time for this generation to see the church in action. It is time to see people with faith at work doing great things for God. We need a Bible college in Springfield to train preachers, missionaries, youth ministers, teachers, song leaders, etc. We will have to pray, work hard, give a lot, sacrifice, and cooperate to get this done. Isn't that what we are supposed to be doing now?

With that resolve and the blessings of God, the BIM has continued to the present. Over the last decade, the school has graduated 27 men. Of those graduates, about 75% are still faithfully preaching the gospel in 8 different states, including Missouri, Arkansas, Texas, Oklahoma, Kansas, Nebraska, Kentucky, and Pennsylvania. Praise be to God who has blessed this endeavor in the past and continues to bless it in the present.

Lord willing, the next decade at the BIM will be just as richly blessed if not even more so. There is actually a lot *you* can do to help see that the BIM continues in the future:

- * Pray for the work.
- * Share the poster (inside).
- * Tell others about the school.
- * "Like" us on [Facebook](#).
- * Support the school and its students.
- * Encourage potential students.

With your help, our resolve, and the blessings of God, the future of the BIM looks bright. If you would like to get involved in this effort, feel free to call Jerry Sullins at 417-619-8197 or e-mail him at jerryrsullins@juno.com.

Please hang up the poster inside at your local congregation!

"And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also." 2 Timothy 2:2
